Seeking Donations of Items for NARF Benefit Art Auction

Another important way you can show your support for the Visions for the Future Benefit Art Auction is by donating items that we can use in our live, silent & online auctions that are a part of the event. All donations are 100% tax-deductible. Your donation of an item is a way you can show your support for Native American rights as well as promote your business, tribe and/or organization.

We are seeking the following items for our auction:

- artwork
- jewelry
- gift certificates
- merchandise
- product gift baskets
- donations of travel packages & getaways

Simply fill out the pledge form below, email it to crystal@narf.org or mail it to NARF to donate an item. Please contact Crystal Echo Hawk with any questions regarding your donation at 303.447.8760. Many thanks for your support!
